## Bionaire® BAP1500 PERMAtech

\$155.00

The Bionaire BAP1500 is designed to clean your air quietly and efficiently with a filter that never needs to be replaced! The special PERMAtech HEPA-type filter helps remove smoke, dust, pollen, mold spores and pet dander with help from an independently controlled ionizer and an oscillating, slim tower design. A service indicator notifies you when filters need to be cleaned. It has 3 cleaning levels, digital controls and a handy remote control. AHAM-certified to deliver clean air in rooms up to 13' x 13' (or 169 sq. ft.) and has a CADR (Clean Air Delivery Rate) of 110 for smoke, dust and pollen. Backed by the manufacturer's 2-year limited warranty.
