ToursDaBelize - Altun Ha Package

\$265.00

Altun Ha is the most extensively-excavated Maya site in Belize says archeologist. The true ancient name is unknown and "Altun Ha" is a Mayan translation of the nearby village named "Rockstone Pond". It was here that archeologist discovered a carved jade head of Kinich Ahau, the Maya sun god. At 15cm high, it is the largest carved jade piece to be found anywhere in the Maya world. Come experience this wonderful place with one Belize's friendliest Tour Operator.
